

Instrumentation and Slope Monitoring Seminar

2 – 3 May 2017 | Novotel Perth Langley | Perth, Western Australia

SPONSORSHIP OPPORTUNITIES

The ACG is committed to supporting the development of modern, efficient and profitable mining operations throughout the world. To this end, the ACG presents worldwide training courses and events; the objective of which is to rapidly develop capacity through technology transfer and teaching best practice that enhances profitability of mining organisations and minimises future environmental impacts from their mining operations.

You can show your support, create brand awareness and promote your product or service by sponsoring this event.

The ACG is undertaking a niche marketing campaign to promote the seminar and it's sponsors to local and international professionals via:

- Internet marketing – promotion via the ACG website and other mining event websites
- Regular email updates to the ACG's mailing list
- Direct mail campaign – event specific flyers, registration brochures and targeted electronic mail
- International and local exposure through the activities and support of key industry personnel
- Regular communication with ACG open pit mining event past delegates
- Industry association
