

ACG Ground Support in Cave Mining Workshop

18 October 2018 | Vancouver, Canada

SPONSORSHIP OPPORTUNITIES

The ACG is committed to supporting the development of modern, efficient and profitable mining operations throughout the world. To this end, the ACG presents worldwide training courses and events; the objective of which is to rapidly develop capacity through technology transfer and teaching best practice that enhances profitability of mining organisations and minimises future environmental impacts from their mining operations.

This workshop has been developed to cover both the technical and practical aspects of ground support for cave mines.

You can show your support, create brand awareness and promote your product or service by sponsoring this event.

The ACG is undertaking a niche marketing campaign to promote the workshop and it's sponsors to local and international professionals via:

- Internet marketing – promotion via the ACG website, Caving 2018 Symposium website and other mining event websites
- Regular email updates to the ACG's mailing list
- Direct mail campaign – registration brochures and targeted electronic mail
- International and local exposure through the activities and support of key industry personnel
- Regular communication with ACG underground mining event past delegates
- Industry association
