

# Geotechnical Engineering for Open Pit Mines Course & Instrumentation and Slope Monitoring Workshop

23–26 October 2018 | Novotel Perth Langley Hotel | Perth, Western Australia

## SPONSORSHIP OPPORTUNITIES

The ACG is committed to supporting the development of modern, efficient and profitable mining operations throughout the world. To this end, the ACG presents worldwide training courses and events; the objective of which is to rapidly develop capacity through technology transfer and teaching best practice that enhances profitability of mining organisations and minimises future environmental impacts from their mining operations.

You can show your support, create brand awareness and promote your product or service by sponsoring these events.

The ACG is undertaking a niche marketing campaign to promote these events and its sponsors to local and international professionals via:

- Internet marketing – promotion via the ACG website and other mining event websites
- Regular email updates to the ACG’s mailing list
- Direct mail campaign – event specific flyers, registration brochures and targeted electronic mail
- International and local exposure through the activities and support of key industry personnel
- Regular communication with past ACG open pit mining event delegates
- Industry association
