SPONSORSHIP OPPORTUNITIES

The ACG looks forward to hosting the Geotechnical Design for Underground Metalliferous Mines Hybrid Course, both as an online event, as well as in a traditional physical event setting in Perth, Western Australia, COVID-19 permitting.

You can show your support, create brand awareness and promote your product or service by sponsoring this event. The ACG is undertaking a niche marketing campaign to promote this event and its sponsors to local and international professionals via:

- Internet marketing – promotion via the ACG website and other mining event websites, including social media.
- Regular email updates to the ACG’s mailing list.
- International and local exposure through the activities and support of key industry personnel.
- Direct mail campaign – event specific flyer, registration brochure and targeted electronic mail.
- Industry association.
- Regular communication with past ACG underground mining event delegates.
